LaserBits Texas Clinic

Brewer Sales is excited about the three LaserBits Clinics we're hosting in Texas this year: Dallas, Galveston & San Antonio.

If you own a laser (*any laser*), you'll want to seriously consider spending Sunday with us (*after the TTA Show*) in Galveston!

Don't own a laser yet? This would be a fabulous opportunity for you to see a laser in action and to network with current laser owners who might have some advice to be used in your decision-marking process.

This 8-hour clinic will be conducted by Mike Fruciano, the president of LaserBits. Mike has presented these clinics across the country (*most recently in Dallas in June*) to rave reviews.

Mike will cover both basic & advanced processing techniques and will discuss the latest laserable products available. He'll also highlight system maintenance, laser safety and the latest/greatest software packages.

Seating is limited and pre-registration is necessary. The charge is \$75 per person (*Continental Breakfast & Afternoon Snack included. Lunch on your own*). See Page 3 for your Registration Form.

Where/when: Moody Gardens Hotel, View Finders Terrace. Sunday, August 10, 9:00 am - 5:00 pm.

UPDATE: The first LaserBits Clinic in Dallas was a huge success! The clinic was completely sold out (plus!) with 53 attendees/29 companies.

As of June 24, we've received 9 Clinic Evaluations back in the mail. All 9 responses have responded positively to the 5 questions – one of which was "Would you recommend this clinic to others?"

Brewer Sales definitely feels very comfortable recommending this clinic to all laser owners & prospects after the completion of the first LaserBits Texas Clinic!
